MASSAGES

RENEW YOUR ENERGY WITH OUR SELECTION OF MASSAGES

RELAXING WITH LAVANDER

Immerse yourself in deep relaxation with this restorative treatment, which uses lavender essential oil to calm body and mind. Through gentle, rhythmic movements that travel throughout the body, this treatment helps release accumulated tension, relieving stress and promoting restful sleep.

Benefit: absolute relaxation and mental harmony.

50 MIN. 85€
80 MIN. 120€

DECONTRACTING WITH MINT

Release your muscles with this massage designed to release tension by applying pressure techniques to the areas most affected by stress and stiffness. Peppermint oil, with its revitalizing freshness, penetrates the muscles, providing relief and a pleasant sensation of freshness. Perfect for relieving contractures and improving circulation.

Benefit: decongests muscles and promotes energizing freshness.

50 MIN. 95€
80 MIN. 135€

SPORT MASSAGE

Ideal for preparing the body before or after physical activity, this massage activates blood circulation and oxygenates the tissues, helping to prevent injuries and reduce recovery time. Designed for both athletes and those who want to improve their physical performance.

Benefit: flexibility, muscle recovery and injury prevention.

50 MIN. 100€
80 MIN. 140€

PURIFYING FACIAL

We obtain deeply clean, glowing and intensely purified skin. Cleans the face in depth, oxygenating and sanitizing at all levels. Provides pure oxygen. Improves the cellular respiration process, energizes and reprograms the cells, optimizing the natural processes of our skin.

RITUALS AND FACIALS

ENJOY AN UNFORGETTABLE EXPERIENCE WITH OUR RITUALS · CASMARA PRODUCTS

RITUAL RELAX

This ritual combines a relaxing orange massage, with revitalizing properties, followed by reflexology to stimulate the energy points of the feet, and culminates with a craniofacial massage that relieves accumulated tension in the head and neck. A relaxing infusion accompanies the experience, enhancing the feeling of calm and well-being.

Benefits: deep relaxation, energy balance and relief of tension in the body and mind.

RITUAL VOLCANIC STONES

The volcanic stones, heated to an ideal temperature, are placed on specific points on the body and slide with gentle movements, relieving stress and improving circulation. Inspired by ancient practices, this exclusive massage combines the power of thermotherapy with manual techniques, creating a perfect balance between body and spirit.

Benefits: release of muscle tension, improvement of circulation and emotional balance

80_{MIN.}

RITUAL IMMERSIVE MUSIC

Immerse yourself in the healing power of sound. This is a treatment that combines massage, music and tuning forks to balance the mind and body. This treatment will make you experience a deep state of peace. The gentle face and scalp massage drains the lymph nodes and stimulates circulation. Everything is designed to lead you to a state of serenity.

Benefits: reduces stress and anxiety levels, promotes cell regeneration processes and allows you to achieve a state of deep relaxation.
